

ACTIVITY 30

Directions: Fill in the chart using Y for yes or N for no as you solve the puzzle.

			
			
			
			

A cat, a dog, and a pig each saw something in the sky. Use the clues and the chart to find out what each one saw.

1. The cat and the pig saw things that flew away from them.
2. The pig did not see something with feathers.

	N ₂	Y ₂	N ₁
	N ₁	N ₁	Y ₁
	Y ₂	N ₂	N ₁

Clue 1 says that the cat and the pig saw things that flew away from them. Balloons don't fly, they blow or float, so the dog saw the only non-flying thing, the balloon. The cat and the pig saw either the fly or the duck. Based on Clue 2, the pig didn't see something with feathers that flies, so the pig saw the fly. That means that the cat saw the other flying thing, the duck.
