

1. There were this many pennies inside my bank, but I lost two pennies.

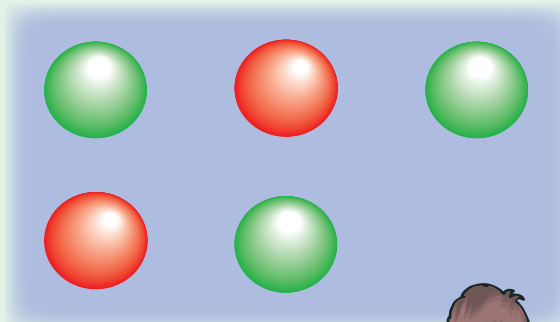

Put an X over 2 pennies.

How many pennies are left in my bank?

1      2      3      4      5

2. There were this many gumballs in my pocket, but I lost 3 gumballs.

Put an X over 3 gumballs.

How many gumballs are left inside my pocket?

1      2      3      4      5
