

I'm just below your leg,
The flat part with the toes;
You kick the ball with me,
And see how far it goes.

What am I?

What they will say things are
That do not cost a thing;
While I rhyme well with tree,
I don't rhyme well with ring.

What am I?

I'm green and hop around,
And "ribbit's" what you hear;
I'm bigger than a cricket,
But smaller than a deer.

What am I?
