

ACTIVITY 11

DIRECTIONS: Fill in the chart using Y for yes or N for no as you solve the puzzle.

Two students and two teachers have favorite fruits.
Find each person's favorite fruit.

1. The name of the boy's favorite fruit has the most syllables.
2. Mr. Fox's favorite fruit has the fewest syllables.
3. Ms. Sharp's fruit grows larger than the girl's fruit.

11.

				
	Y ₁	N ₁	N ₁	N ₁
	N ₁	N ₃	Y ₃	N ₂
	N ₁	Y ₃	N ₃	N ₂
	N ₁	N ₂	N ₂	Y ₂

Clue 1 states that the name of the boy's favorite fruit has the most syllables.

"Banana" has 3 syllables, more than the other fruit, so that is the boy's favorite. Clue 2 states that Mr. Fox's favorite fruit has the fewest syllables, so his would be the grapes. Clue 3 says that Ms. Sharp's fruit grows larger than the girl's, and an apple grows larger than a cherry. So Ms. Sharp's favorite fruit is the apple and the girl's is the cherry.
