

## ACTIVITY 8

Directions: Fill in the chart using Y for yes or N for no as you solve the puzzle.

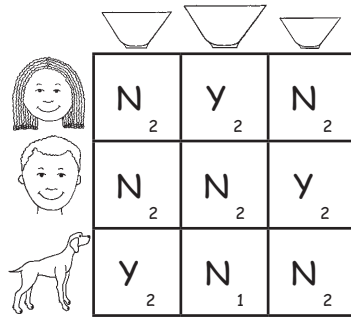

A girl, a boy, and a dog all have favorite bowls. Use the clues and the chart to find each one's favorite bowl.

1. The dog's bowl will fit in the girl's bowl.
2. The boy's bowl is smaller than the dog's bowl.

# Answers

Page 8

Based on Clue 1, the dog's bowl will fit in the girl's bowl, which means it's either the medium or small bowl, not the large bowl. Clue 2 says that the boy's bowl is smaller than the dog's, so the boy's bowl is the small one, and the dog's is the medium bowl, leaving the large bowl as the girl's.
