

ACTIVITY 4

Directions: Fill in the chart using Y for yes or N for no as you solve the puzzle.

A father, his daughter, and his son will each wear a different shirt today. Use the clues and the chart to find each one's shirt.

1. The father will not wear stripes.
2. The daughter will not wear anything black or striped.

Answers

Page 4

			
	N ₁	N ₂	Y ₂
	N ₂	Y ₂	N ₂
	Y ₂	N ₂	N ₂

Clue 1 states that the father will not wear stripes, so the father will wear either the black shirt or the white shirt. Clue 2 states that the daughter will not wear anything black or striped. That leaves the white shirt, so the daughter will wear the white shirt. Then the father will wear the black shirt and the son will wear the striped shirt.
