

A red sign that tells you
Your car must not go on;
A place to catch the bus
Before it's been and gone.

What am I?

I'm a loaf, I'm a slice,
I'm a sandwich to be;
Peanut butter and jam
Go very well with me.

What am I?

You need me to breathe,
You need me to fly;
I rhyme well with hair,
But not well with tie.

What am I?
